

JTIMS Tag	Requirement text	Name	Delivery	Status	Originator CMD	Originator Name(s)	Date Received
JTIMS 20	System shall permit the user to review, respond, fill and/or de-assign Force	Force Provider Capability	Spiral 2	Complete			12/29/2005
JTIMS 26	System shall incorporate Web Services for Data Exchange with JTIMS	JMSEL	Spiral 2	Complete			12/29/2005
JTIMS 32	Select list for JTP end date is to start at JTP start date plus 1	Select list for JTP end date	Spiral 2	Complete	NORTHCOM	Tom Skinner	12/29/2005
JTIMS 38	System shall provide a registration capability to allow POCs for our exercises to register in NexGen JTIMS as POCs for the exercises. Along with this capability, we would like the action officers responsible for the exercise to be able to use NexGen JTIMS	Event POC Registration	Spiral 2	Complete	Development Team	Dennis Reed	12/29/2005
JTIMS 39	System shall provide a registration capability for exercise conference. We would like to show various conferences	Milestone Conference POC Registration	Spiral 2	Complete	Development Team	Dennis Reed	12/29/2005
JTIMS 42	Enhance current OCT capabilities by providing the Observation Collection Form.	Implement an Observation collection tool	Spiral 2	Complete			12/29/2005
JTIMS 48	JTIMS should be able to run on the SIPRNET .	Operate on SIPRNET	Spiral 2	Complete	Development Team	Jane Ward	12/29/2005
JTIMS 55	Provide automated notification for data changes based on user defined requirements and data fields. Provide Change Auditing features on user defined data elements	Change Notification/Auditing	Spiral 2	Complete			12/29/2005
JTIMS 66	System does reactivate the account but did not reset the locked out count. So, if the user enters in the wrong password again they will be locked out right away.	User Lock out	Spiral 2	Complete	NORTHCOM	Tom Skinner	12/29/2005
JTIMS 69	Milestones Tab-SMEB Milestone should not show up as a milestone if you have already indicated that a SMEB is not required for a particular event.	Milestones SMEB	Spiral 2	Complete	SOUTHCOM	Angel Rivera	12/29/2005
JTIMS 80	System must retain Fiscal Year Search Values throughout the application	Fiscal Year Search Values	Spiral 2	Complete			12/29/2005

JTIMS Tag	Requirement text	Name	Delivery	Status	Originator CMD	Originator Name(s)	Date Received
JTIMS 81	JESS Integration- Export JTIMS information to JESS	JESS Integration	Spiral 2	Complete			12/29/2005
JTIMS 88	Deactivated users should not display in any "active" select lists. When a user is deactivated, his/her name still appears in multiple selection lists (manage analysts, Assign Event Team Lead, etc.).	Deactivate Users	Spiral 2	Complete	EUCOM	Tom Hill	12/29/2005
JTIMS 105	Put headings and information for Staff, Subordinate Unit and Command-Linked Tasks just like in the "in staffing" JTP. This view is NOT available in the Approved JTP "Worksheet"	Headings for Staff, Subordinate Unit and Command Link	Spiral 2	Complete	NORTHCOM	Tom Skinner	12/29/2005
JTIMS 115	Permit user to generate Tab B report of JTP and generate in MS Office compatible/editable format	Tab B Development	Spiral 2	Complete			12/29/2005
JTIMS 120	Permit user to generate Tab C report of JTP and generate in MS Office compatible/editable format	Tab C Development	Spiral 2	Complete			12/29/2005
JTIMS 144	TO search by task, user group, etc.; additional filters. Should be able to search on all TO fields used when creating TO;	Advanced TO search	Spiral 2	Complete			12/29/2005
JTIMS 145	In the Add JTP Training Objective page, remove the page refresh when a Method (Academic, Exercise or Other) is selected. System does not require a page refresh in the Event Add Training Objective page - mirror this functionality in the JTP Add Training	Method\Mode Refresh	Spiral 2	Complete	NORTHCOM	Tom Skinner	12/29/2005
JTIMS 153	Generate output in MS Office compatible formats	Tab F Output Generation	Spiral 2	Complete			
JTIMS 159	Generate output in MS Office compatible formats	Tab G Output Generation	Spiral 2	Complete			12/29/2005
JTIMS 174	System should automatically calculate Inclusive dates based on Transportation Dates, but allow user to modify as	Inclusive Dates	Spiral 2	Complete			12/29/2005
JTIMS 188	Permit user to identify Event Milestones	Milestones:	Spiral 2	Complete			12/29/2005

JTIMS Tag	Requirement text	Name	Delivery	Status	Originator CMD	Originator Name(s)	Date Received
JTIMS 192	Provide user the ability to upload and delete attachments in the Event Module	Attach Event Documents	Spiral 2	Complete			12/29/2005
JTIMS 198	Classification of copied event should carry over to the new event. Declassification date should automatically recalculate from the date the event was copied.	Copy Event	Spiral 2	Complete			12/29/2005
JTIMS 200	User needs the ability to be able to link event training objectives to multiple events.	Training Objectives linking to	Spiral 2	Complete	Development Team	Lanny White	12/29/2005
JTIMS 205	Event Tab should display Command Priority, currently only displays the JWFC priority and JNTC	Event Details Tab - Command Priority Display	Spiral 2	Complete	Development Team	Dennis Reed	12/29/2005
JTIMS 208	Non-DoD Sources drop down (not populated with library date). Issue sent to	Non-DoD drop down library	Spiral 2	Complete	NORTHCOM	Tom Skinner	12/29/2005
JTIMS 220	SMEN requirement is going away, need to update Next Generation JTIMS accordingly throughout.	SMEB	Spiral 2	Complete	SOUTHCOM	Angel Rivera	12/29/2005
JTIMS 223	Each Event Level has three criteria categories need to add instruction/information indicating if event has to meet criteria of one, or all 3	Criteria Categories	Spiral 2	Complete	SOUTHCOM	Angel Rivera	12/29/2005
JTIMS 224	Review/update Type categories. JCS Events are now CEP Events and JEP	Event Type Category	Spiral 2	Complete	SOUTHCOM	Angel Rivera	12/29/2005
JTIMS 228	Calendar should default to the specific event that the user has selected or is currently working.	Event Default View	Spiral 2	Complete			12/29/2005
JTIMS 234	The Months are not correctly marked, for example, OCT 07 follows SEP 06, and JAN 07 follows DEC 07. Months should depict actual year (in other words January - December 05 in lieu of January - September 05 and then October through December 06).	JTP Timeline and Calender view	Spiral 2	Complete	NORTHCOM	Tom Skinner	
JTIMS 246	Establish Force Provider e-mail mailboxes.	Force Provider e-mail	Spiral 2	Complete			12/29/2005

JTIMS Tag	Requirement text	Name	Delivery	Status	Originator CMD	Originator Name(s)	Date Received
JTIMS 247	Provide e-mail notification to Force Provider of incoming requests. Include copy of original request.	E-mail notification	Spiral 2	Complete			12/29/2005
JTIMS 248	Display Force Request Message ID for Tracking and coordination.	Force Request ID	Spiral 2	Complete			12/29/2005
JTIMS 249	Permit Force Provider ability to assign forces and fill requests	Assign Forces	Spiral 2	Complete			12/29/2005
JTIMS 250	Permit provider to identify UIC/UTC	Identify UIC/UTC	Spiral 2	Complete			12/29/2005
JTIMS 251	Permit provider to identify dates of participation	Dates of participation	Spiral 2	Complete			12/29/2005
JTIMS 252	Permit provider to select Source	Source	Spiral 2	Complete			12/29/2005
JTIMS 253	Provide single view for force requests and forces provided	Single forces display view	Spiral 2	Complete			12/29/2005
JTIMS 254	Permit force provider capability to de-assign forces.	De-assign forces.	Spiral 2	Complete			12/29/2005
JTIMS 255	Provide force provider confirmation/change notifications to force	Confirmation/c hange	Spiral 2	Complete			12/29/2005
JTIMS 259	Permit user to develop a Collection Management Plan.	Collection Management Plan	Spiral 2	Complete			12/29/2005
JTIMS 268	Provide customized TPE recommended calculation based on % TPOs=Y/N for each User Group. Allow the User Group Lead to adjust settings	Recommended TPE Rating Calculation	Spiral 2	Complete			12/29/2005
JTIMS 276	Permit user to add a TPA: - Customize TPA recommended calculation based on % TPEs=Y/N for each User Group. Allow the User Group Lead to adjust settings	Recommended TPA Rating Calculation	Spiral 2	Complete			12/29/2005
JTIMS 302	Default classification of a TPO is the classification of the training objective. Provide the capability for the execution analyst to reclassify the TPO higher if the event is classified.	Task Performance Observations Security Classification Rules	Spiral 2	Complete			12/29/2005

JTIMS Tag	Requirement text	Name	Delivery	Status	Originator CMD	Originator Name(s)	Date Received
JTIMS 303	System currently inherits the highest training objective classification. Allow user the ability to reclassify the TPE. Not dependant on the associated TPOs, since they do not appear within the TPE.	Training Proficiency Evaluations Security Classification Rules	Spiral 2	Complete			12/29/2005
JTIMS 304	Currently the system inherits the overall JTP classification. Inherit to Mission name classification, regardless of the associated Training Proficiency Evaluation classifications Restrict to equal or higher classification than the associated classificati	Training Proficiency Assessment Security Classification Rules	Spiral 2	Complete			12/29/2005
JTIMS 305	Currently the system inherits the highest associated TPA classification. System should inherit the Mission Name classification, regardless of associated Training Proficiency Assessment. May require coordination with DRRS, since they do not currently po	Mission Training Assessment Security Classification Rules	Spiral 2	Complete			12/29/2005
JTIMS 307	Permit users to export JTIMS data; task, training audience, training objectives, and themes to JMSEL.	JTIMS export to JMSEL	Spiral 2	Complete			12/29/2005
JTIMS 339	Group MicroStrategy reports by Categories and Folders making it easier for users to locate a report.	Micro-Strategy Reports	Spiral 2	Complete			12/29/2005
JTIMS 354	Integrate TOM, TOMASTER data elements with NexGen JTIMS. TO data will be provided from TOM, TOMASTER and JTIMS 5.0 to search and select. (data migrated into temp tables, ability to search from one or more temp tables; TOM, TOMASTER, 5.0 or ALL)	Integrate TOM, TOMASTER, V5.0 Training Objective Data	Spiral 2	Complete			12/29/2005
JTIMS 363		TEPMIS A & B Integration	Spiral 2	Complete			12/29/2005
JTIMS 364		TCSMIS Integration	Spiral 2	Complete			12/29/2005
JTIMS 365	NexGen JTIMS will extract task related data (UJTL version available in JDEIS)	JDEIS Integration	Spiral 2	Complete			12/29/2005

JTIMS Tag	Requirement text	Name	Delivery	Status	Originator CMD	Originator Name(s)	Date Received
JTIMS 367	Need a new set of permissions specific to creating, editing, and deleting training objectives in the User Group JTP or a specific event. The Training Plan Analyst could assign this permission for their User Group and the Event Team Lead could assign this	Training Objective Role/Permissions	Spiral 2	Complete			12/29/2005
JTIMS 372	Permit user to select from a Library List of Training Objectives. Provide a link from the Add Training Objective page. Allow the user to select (reuse) training objectives from TOM, TOMASTER, and JTIMS V5.0.	TO Library	Spiral 2	Complete			12/29/2005
JTIMS 385	Provide User Roles and Permissions (outlined in CDD) for the following: Force Provider	Force Provider Role/Permissions	Spiral 2	Complete			12/29/2005
JTIMS 399	Permit the user to identify Transportation Mode (Commercial Ticket Program, Commercial Airlift, Ground, Military Airlift, Sealift, Small Commercial Cargo Program)	Transportation Mode	Spiral 2	Complete			12/29/2005
JTIMS 412	Ground Transportation - POE and POD information needs to be more granular for Ground Transportation.	Transportation - Ground mode POE/POD data	Spiral 2	Complete			12/29/2005
JTIMS 415	Remove the mandatory Milestone Reference Date requirement for Custom	Custom Milestone	Spiral 2	Complete			12/29/2005
JTIMS 418	a. System should automatically calculate the dates initially based upon the earliest sealift and airlift movement data; then allow a manual change to the T-Day if required. The airlift".."(T-50) .. "and sealift validation dates (T minus 60) should always	Milestone automatic calculations/default summary display a. SEALIFT and AIRLIFT	Spiral 2	Complete			12/29/2005
JTIMS 424	Permit user to attach documents associated with a milestone.	Attach Milestone	Spiral 2	Complete			12/29/2005
JTIMS 425	System will display the POC data for milestone attachments.	Attachment POC	Spiral 2	Complete			12/29/2005
JTIMS 437	Permit user to copy Force Request to other user group events as well as within their own user group.	Copy Force Requests	Spiral 2	Complete			12/29/2005

JTIMS Tag	Requirement text	Name	Delivery	Status	Originator CMD	Originator Name(s)	Date Received
JTIMS 438	Display status of Force Request	Force Request Status	Spiral 2	Complete			12/29/2005
JTIMS 439	Display Force Request Message ID for Tracking	Force Request Message ID	Spiral 2	Complete			12/29/2005
JTIMS 448	Update Exercise Levels to reflect L1M, L1N, L1D, L1C, etc.	Exercise Level	Spiral 2	Complete			12/29/2005
JTIMS 510	Update Section 3.4 Mission Essential Tasks (METs) of the CMP tab and CMP Word document. Display must differentiate between MET and Training Tasks. Recommend the following display: (See attached)	CMP Tab and Word Document	Spiral 2	Complete	Development Team	Jane Ward	12/27/2005
JTIMS 525	The system should not allow pending users to be associated to an event.	Manage User Accounts	Spiral 2	Complete	SOUTHCOM	Angel Rivera	12/30/2005
JTIMS 546	Main Event Home page- Add the ability to sort by Fiscal Year.	Event Summary page	Spiral 2	Complete	EUCOM	Tom Hill	12/30/2005
JTIMS 549	Date Format - is currently mm-dd-yyyy should be dd-mmm-yy (example: 01 Oct 06)	Date Formats	Spiral 2	Complete	EUCOM	Tom Hill	12/30/2005
